

Dicko Mode Lyrics

[Part I]

[Intro]

Asshole

Dick me down, bootyhole

That's how you already know, I'm a queer

My dog would probably rape you 'till ya booty melt

That's just all he know, he don't know nothin' else

I tried to blow 'em

I tried to blow 'em

Yeah, yeah, yeah

Spread the cheeks, lick the booty hole

Young La' Flame, he in dicko mode

[Part II]

[Verse 1]

(Woo!) Big round rear, oh yes I like to send 'em nudes

Yeah the gays outside, he like to fuck until we loose

Yeah, dildo boys, that's dildo practice with the lube

That dick way too big, when we pull up send me the nudes

(Send me the nudes!)

I jerked his jimmy, I rubbed his hooves

Had to grab my own towel to clean the lube

Booty always locked down, the cum shoot

Now it's 4 AM and them backshots is feeling coo'

I just sucked your man, slurping up the cock like Jamba Juice

Different colored cocks, so that penis probably looking new

And I'm chokin', man, know them women wish they was a dude

[Bridge]

Some-some-someone said

To swallow the meat, the dick must go deep

PI-PI-Playin' with me, let me tickle the feet (Someone said)

To swallow the meat, the dick must go deep

PI-PI-Playin' with me, let me tickle the feet

[Verse 2]

Yeah, this shit way too normal, y'all know I might suck the crew
Big round ass, most of these butts don't have a clue
All of these hoes I fucked with semen I produced
I might take all this booty and put it all in a group
Hit my eses, they send me nudes
'Bout to turn this orgy to dick and poop
Told 'em "Hop in, we fucking too"
On the anal side, niggas suck me 'till the cum shoot
(Don't stop, lick that booty!)
Had to throw my top off, we gettin' loose
He said, "Where you goin'?" I said, "The room"
Then he grabbed me, then my booty groomed
He thought it was the ocean, it's just the lube
Now I gotta open, he sending nudes
Who put this dick together? I'm the glue

[Bridge]

Someone said
Nigga straight fucked me then I pooped
Someone said
PI-PI-Playin' with me
Someone said, motherfucker—someone said
Let me tickle the feet

[Part III]

[Intro]

Yah!
Asshole, yeah, yeah
Tay Keith, suck these niggas up!
Look, ayy

[Chorus]

He's in love with who I am
Back in high school, used to jerk him with my hands
Now I hit that orgy sex with condoms in my hand
I did half a Xan, now I'm poundin' on my man
Had me out like a light (ayy, yeah)
Like a light (ayy, yeah)

[Verse 3]

Like a light, ayy
Slept through the pipe, ayy
Knocked for the night, 767, man
This shit got double wedgies, man
I still got dick to settle, man
I smashed on the block
Made a right
Cut the lights, raped me twice
Niggas think I'm straight, it's on sight
Nothin' nice, booty lookin' right
Jesus Christ, dicks over rice
That's what I like, that's what we like
Lost my respect, that booty wet
When I suck the cock, I get wetty with my neck
See the cock that I took, that had me shook
Jerk on his jimmy
I be on the cock, milly rock 'til I'm dizzy (Eh, yeah)
Like where is he? (Fuck yeah)
No one seen him (Ah, yeah)
I'm tryna skeet 'em

[Chorus]

He's in love with who I am
Back in high school, used to jerk him with my hands
Now I hit that orgy sex with condoms in my hand
I did half a Xan, now I'm poundin' on my man
Had me out like a light (Like a light)
Like a light (Like a light)
Like a light (Like a light)
Like a light

[Verse 4]

Yeah, passing cocks
I'm steady lickin' dicks and getting wise
Yeah, he said he got that "Booty locked"
I know our booty tight, yeah
It's absolute, my booty loose
Lotta penis, we eatin' two, yeah
We back on the dick, we ride that cock until we poop, yeah
Shawty in the back
He said his booty like a nuke, ayy
Ain't what it look, my booty shook

Throwing neck, the booty cook, yeah
Pass it to the homie, yeah that penis got me hooked
Baby daddy at my house, got his baby mother shook
Yeah
