

## Dominic Fike – 3 Nights Lyrics

### [Chorus]

Three nights at the motel under streetlights in the City of Palms  
Call me what you want, when you want, if you want  
And you can call me names if you call me up  
Three nights at the motel under streetlights in the City of Palms  
Call me what you want, when you want, if you want  
And you can call me names if you call me up

### [Verse 1]

Feel like the least of all your problems  
You can reach me if you wanna, stay up tonight, stay up at night  
Green lights in your body language  
Seems like you could use a little company from me  
But if you got everything figured out like you say  
Don't waste a minute, don't wait a minute  
It's only a matter of time for you-ooh-ooh-ooh to-ooh-ooh-ooh  
Tell me now, 'cause I've been up for, I've been up for

### [Chorus]

Three nights at the motel under streetlights in the City of Palms  
Call me what you want, when you want, if you want (Want)  
And you can call me names if you call me up (Call me up)  
Three nights at the motel under streetlights in the City of Palms  
Call me what you want, when you want, if you want  
And you can call me names if you call me up (Ooh)

### [Verse 2]

I can't fix each and all your problems  
I'm no good with names and faces  
She sent me naked pictures from her neck down to the waist  
I get my feelings involved, she stopped returnin' my calls  
Her flaws turned into walls and barricades  
And I'm too far gone in all the wrong ways  
And now every long day is a bad one  
I can't make you call or make you stay or take you off the pedestal  
So I get lost in modern music, watchin' movies  
Talkin' to the walls in my room  
Walkin' through the halls in my head

Just tryna make sure it all makes sense, I ain't made of money  
Maybe some day, you can take it from me?  
I'm up too late, thinkin' 'bout you in M.I.A. for

**[Chorus]**

Three nights at the motel under streetlights in the City of Palms  
Call me what you want, when you want, if you want (Want)  
And you can call me names if you call me up (Call me up)  
Three nights at the motel under streetlights in the City of Palms  
Call me what you want, when you want, if you want  
And you can call me names if you call me up (Ooh)
