

## Holiday Lyrics – Little Mix

### **[Verse 1: Jesy Nelson]**

Boy, have I told ya?  
I swear, you put the sun up in my sky  
When it's cold, you pull me closer  
So hot, it's like the middle of July (July)

### **[Pre-Chorus: Leigh-Anne Pinnock]**

Wanna have a little taste, so let me lay you down (Lay you down)  
Nothing better than your skin on mine (Skin on mine)  
And I been looking for the feeling, looking all my life  
Boy, you give it to me every time

### **[Chorus: Jade Thirlwall]**

Can we make it all night?  
We don't stop all up on my body, babe, ooh  
Touch me like a summer night, you feel like a holiday, ooh-oooh  
Up all night, we don't stop, feel up on my body, babe  
We're just dancing the night away  
Boy, you feel like a holiday

### **[Post-Chorus: Perrie Edwards & Leigh-Anne Pinnock]**

So, I'mma let go  
No one else in the world could ever come close to you, baby (Uh-uh)  
Close to you, baby (Uh-uh)  
We're taking it slow  
Whenever, wherever, we're lasting forever, my baby (Uh-uh)  
And you're turning me on (Uh, uh-uh)

### **[Verse 2: Jade Thirlwall]**

Boy, have I told ya?  
You give it to me like no other guy  
We got that heat, yeah, like the summer (Summer)  
And that's why I'm so glad I made you mine

### **[Pre-Chorus: Leigh-Anne Pinnock]**

Wanna have a little taste, so let me lay you down (Lay you down)  
Nothing better than your skin on mine (Skin on mine)

And I been looking for the feeling, looking all my life  
Boy, you give it to me every time

**[Chorus: Jade Thirlwall with Leigh-Anne Pinnock & Jesy Nelson]**

Can we make it all night? We don't stop feel up on my body, babe, ooh-oooh  
Touch me like a summer night, you feel like a holiday, ooh-oooh  
Up all night, we don't stop, feel up on my body, babe  
We're just dancing the night away  
Boy, you feel like a holiday

**[Post-Chorus: Perrie Edwards, Leigh-Anne Pinnock & Jesy Nelson]**

So, I'mma let go  
No one else in the world could ever come close to you, baby (Close to you,  
baby)  
Close to you, baby (Close to you, baby)  
We're taking it slow  
Whenever, wherever, we're lasting forever, my baby (Uh-uh)  
And you're turning me on (Uh, uh-uh)

**[Bridge: Jesy Nelson, Perrie Edwards, Jade Thirlwall & Leigh-Anne Pinnock]**

So, put your love on me, up on me  
Oh, boy, I love it when you're touching me, holding me  
No way nobody put that thing on me, up on me, like you do  
Feel like a holiday (Uh, uh-uh)  
You know that I want it, babe (Uh, uh-uh)

**[Chorus: Jade Thirlwall, Jesy Nelson & Leigh-Anne Pinnock]**

Can we make it all night? We don't stop all up on my body, babe, ooh-oooh  
Touch me like a summer night, you feel like a holiday (Holiday, yeah), ooh-oooh  
Up all night, we don't stop, feel up on my body, babe  
We're just dancing the night away  
Boy, you feel like a holiday (Yeah)

**[Post-Chorus: Perrie Edwards, Leigh-Anne Pinnock & Jesy Nelson]**

So, I'mma let go  
No one else in the world could ever come close to you, baby (Close to you,  
baby)  
Close to you, baby (Close to you, baby)  
We're taking it slow (Slow)  
Whenever, wherever, we're lasting forever, my baby (Uh-uh)

And you're turning me on (Uh, uh-uh)  
Turning me on, yeah
