

## OMG What's Happening lyrics

[Verse 1]

Oh my god, what's happening? Thought I was fine  
I told you I don't need your love like three, four thousand times  
But that's a lie, no, I can't look you in the eye

Oh, I, oh, I

So I did everything to push you all away  
And finally you left and now I'm missing you like crazy  
And I cry, no I can't sleep alone at night

Oh, I, oh, I

[Chorus]

Look what you've done, look what you've done to me  
I got everything I wanted, but you're everything, you're everything I want  
Look what you've done to me

Didn't know I was alone 'til I was running to your, running to your heart  
Like magnets

Oh my god, what's happening?

Look what you've done, look what you've done to me  
I got everything I wanted, but you're everything, you're everything I need

[Verse 2]

I wanna tell you things and show you all the rest  
Broadcast my emotions on the radio and take them off my chest  
I hope you're listening

Are you? Are you?

And I'm spinning 'round in circles, spinning 'round in circles  
Writing in my journal 'bout you

Wonder if it's over, I ain't getting closer

Think it's time I told you the truth (Hey, wait a minute)

[Chorus]

Look what you've done, look what you've done to me  
I got everything I wanted, but you're everything, you're everything I want  
Look what you've done to me

Didn't know I was alone 'til I was running to your, running to your heart  
Like magnets

Oh my god, what's happening?

Look what you've done, look what you've done to me  
I got everything I wanted, but you're everything, you're everything I need

[Bridge]

Ugh, what have you done to me?  
Something about your face, I don't know whether to kiss it, or punch it  
If you don't get away from me right now  
I swear to God, I swear, uh! (Ah)

[Chorus]

Look what you've done, look what you've done to me  
I got everything I wanted, but you're everything, you're everything I want  
Look what you've done to me  
Didn't know I was alone 'til I was running to your, running to your heart  
Like magnets  
Oh my god, what's happening?  
Look what you've done, look what you've done to me  
I got everything I wanted, but you're everything, you're everything I need
