### [Intro: Yella Beezy & Young Thug]

Say, JT (Ayy)

I said I'm on my young nigga shit with this one, you feel me (Ayy)  
And I got the streets too, you know? (Ayy)  
I got it, I got it (Blame it on Monstah)  
I got, I got, I got it, I got it, I got it

### [Chorus: Yella Beezy]

Hey, hey, I got your bitch in a headlock  
Fucked on that bitch, then I sped off  
Hit the gas, lookin' for red dots (Headlock)  
Kickin' big shit 'til my legs lock  
What the fuck, nigga? Them fed cars  
.223 knock a bitch head off (Headlock)  
Young niggas 'round me roguish (Roguish)  
You ain't gotta ask, I'm totin' (Totin')  
Big four-five, I'm focused (Headlock)  
I'll bust a nigga head open (Open)  
Killers on side, they scopin' (Scopin')  
And I'll put the play in motion (Headlock)

### [Verse 1: Yella Beezy]

Hey, hey, you bumpin', I hope that you 'bout it, nigga ('Bout it, nigga)  
Got all of my lil' niggas ridin', nigga (Ridin', nigga)  
And your shit, they gon' make you come out it, nigga (Headlock)  
Got Uzis and choppers, nigga (Choppers, nigga)

I could send a play his way (Why?)  
'Cause he still worried 'bout a bitch (Who?)  
These niggas say they gangster (Who?)  
Talkin' rah-rah, but he ain't really murkin' shit (Huh)  
He ain't really hurtin' shit (Huh)  
In the car with him, you gotta be careful, lil' bitch  
'Cause it's gon' get hit

He'll be the first one to snitch (Ooh)  
He'll be the first one to snitch  
The first one to bitch  
He'll be the first one to trip
